I oppose the Dewey Burdock Uranium acquirer mining. I do not want Uranium mining in treaty territory acquirers in the Black Hills. I do not want class 5 or class 3 wells in the Black Hills. I say no to any permits for uranium mining in the Black Hills.

In addition I want all of the old mines in the Black Hills cleaned up before any further permits are considered. I also want tribally defined consultation as well as full tribally approved archeological and cultural surveys done. Finally I want Lakota translators/transcriptionists at all hearings.
